Christian Experience Weekend  
Circle of Faith Catholic Community

“A life changing experience” and “The best weekend of my life” is how many participants have describe Christian Experience Weekend; a weekend filled with laughter, great food, community, inspiration and motivation. CEW is a structured 48 hour experience that is designed to strengthen and renew the faith of Christian people 18 years of age and older. CEW is not a silent, meditative retreat, but rather, a *shared* Christian experience. The community based weekend includes talks, discussion, prayer services, and Mass. A team of lay people, deacons, priests and sisters conduct the weekend.

The overnight retreat weekend is held at All Saints Catholic Church/School, Denmark, located at 145 St. Claude Street. The CEW begins at 7:00 p.m. on Friday evening and is continuous through approximately 5:00 p.m. Sunday evening.

We have limited openings, so turn in your registration early. When the weekend is full, additional registrants are put on a waiting list and notified if there is a cancellation.

The cost of the weekend is \$50.00. If the cost would be a financial burden for you, feel free to contact any one of the rectors listed below.

Please send the completed registration form with either a \$15.00 deposit or full payment. Make checks payable to Denmark Area CEW and mail to:

## What have those who have attended thought about CEW?

*As a 19 year old, I never expected CEW to be the changing point in my religious life. I grew so much within myself as a Catholic lady. My Catholic faith life up to CEW was a life of not knowing what my call was with the Holy Spirit coming to me on my Confirmation Day. With CEW, I got the chance to experience myself alone with the Holy Spirit. This weekend was a chance for me to take a step back from my college life and just be surrounded by people with the same passion as me. Even after CEW, I felt the warmth of the family that was created that weekend. This is one of the best experiences I have had with the Lord! Please come and join us, for this weekend will be one you will never forget!*

*I have to describe my first CEW weekend as something that changed my life forever and I sincerely wish I had experienced it a long time ago. If the only thing you have done for yourself is attend Mass since you were confirmed, and you feel like there should be more to your faith, CEW is for you. CEW will invigorate your interest in our religion and inspire you to get closer to God. I truly feel that I have been touched by the Holy Spirit on each of my CEW weekends, and I wish everyone would put themselves in a position to experience that special occasion. It can happen in many forms and it's something you won't forget. Throughout the year I am able to draw upon those occasions to help me stay on track. They reinforce my faith and provide purpose when I start to drift. Judy and I have had similar experiences as a result of CEW, and they continue to remind us how blessed we are. We encourage you to try it!*
