Christian Experience Weekend  
Circle of Faith Catholic Community

*“A life changing experience”* and *“The best weekend of my life”* is how many participants have describe Christian Experience Weekend; a weekend filled with laughter, great food, community, inspiration and motivation. CEW is a structured 48 hour experience that is designed to strengthen and renew the faith of Christian people 18 years of age and older. CEW is not a silent, meditative retreat, but rather, a *shared* Christian experience.

The community based weekend includes talks, discussion, prayer services, and Mass. A team of lay people, deacons, priests and sisters conduct the weekend.

The overnight retreat weekend is held at All Saints Catholic Church/School, Denmark, located at 145 St. Claude Street. The CEW begins at 7:00 p.m. on Friday evening and is continuous through approximately 5:00 p.m. Sunday evening.

We have limited openings, so turn in your registration early. When the weekend is full, additional registrants are put on a waiting list and notified if there is a cancellation.

The cost of the weekend is \$50.00. If the cost would be a financial burden for you, feel free to contact any one of the rectors listed below.

Please send the completed registration form with either a \$15.00 deposit or full payment. Make checks payable to Denmark Area CEW and mail to:

## What have those who have attended thought about CEW?

*It is amazing that spending two weekends apart can actually bring you closer together. In our case, attending CEW men's and women's weekends did just that. We were both renewed in our faith and able to share it with each other and our family.*

*Although initially uneasy about spending time away from our family and routines, we both found that devoting this time to ourselves and our faith was a meaningful investment in our relationship with each other and with God.*

*We are very grateful that we both answered the call to attend a CEW weekend and have been rewarded with the blessings of faith, family, and friendship as a result.*

*Tom and I came to CEW on two different paths. In Tom's case, he went "kicking and screaming", I went willingly.*

*Over the years, I (Tom) had been invited to attend. I was told it would be a "life changing" experience, but I wasn't sure I wanted my life changed. But in the months prior to CEW, I kept getting nudges from the Holy Spirit...I needed to attend.*

*I (Audrey) had attended different types of retreats in the past, and when encouraged by a CEW member to attend, I agreed.*

*There is no question it has changed our lives. Tom realized that his spiritual journey was at a standstill, and Audrey realized God was calling her to a new level in her faith. We are more aware of God and how he works in our lives on a daily basis. Our prayer lives are definitely better, and our faith and marriage is stronger. We have also discovered a whole new group of people who are walking with us as we continue to grow in our faith.*

*Our God is an awesome God! We have always known that, but it's so much more front and center now. We are truly blessed and we encourage all to come and experience the goodness of the Lord!*
