

# KETTLE MORAINE Christian Experience Weekend CEW

Shepherd of the Hills Catholic Parish

“A life changing experience” and “The best weekend of my life” is how many participants have described Christian Experience Weekend; a weekend filled with laughter, great food, community, inspiration and motivation. CEW is a structured 48-hour experience that is designed to strengthen and renew the faith of Christian people 18 years of age and older. CEW is not a silent, meditative retreat, but rather, a *shared* Christian experience.

The community-based weekend includes talks, discussion, prayer services, and Mass. A team of lay people, deacons, priests and religious conduct the weekend.

The overnight retreat weekend is held at Shepherd of the Hills Church/School, Eden, located at W1562 CR-B. The CEW begins at 7:00 p.m. on Friday evening and is continuous through approximately 5:00 p.m. Sunday evening.

We have limited openings and early registration is strongly encouraged. When the weekend is full, additional registrants are put on a waiting list and notified if there is a cancellation.

The cost of the weekend is \$50.00. If the cost would be a financial burden for you, feel free to contact any one of the rectors listed below.

## WHAT THOSE WHO HAVE ATTENDED THOUGHT ABOUT CEW?

*I have participated in a woman's bible study for six years. At the end of this last year, I felt blessed by what I had learned and the love and support of my soul sisters. I felt like I needed to do more with this newfound faith. The Holy Spirit knew what was in my heart and guided me to attend a women's conference where I learned about CEW (Christian Experience Weekend.)*

*Within a few weeks, I found myself attending a CEW in Denmark. I'm not sure what happened to me or how it happened but when I left there, I felt inspired by the Holy Spirit to go out into the world and make a difference. My heart was full, and I yearned for the people in my community to be part of this life-changing experience. So, after much prayer and discernment I, along with the help of the established Denmark Area CEW community, decided to bring CEW to our community. I'm amazed at the dedication of the CEW people. They assured me that this is how most people feel after attending a CEW. It is definitely a life changing experience. The Holy Spirit is alive within my heart and my soul.*

*CEW is a life changing experience! It has been a number of years since either of us took a weekend away to spend with Jesus. Multiple requests by individuals for us to attend a CEW, and frequently seeing the fliers so conveniently placed at the entrances of church finally caught our attention. Our hearts were opened, and we responded with a yes.*

*CEW weekends have made a definite impact on our lives and have become a source of our strength and courage to pursue a deeper relationship with Jesus, as well as an opportunity to invite the Holy Spirit to come into our lives and our marriage...speaking to us!*

*Having taken this time away, has renewed our prayer life, and most of all renewed each of us in God's Great Love! The CEW community is rich with support and love, not to mention some really amazing individuals, holding strong in Faith and purpose!*
