Christian Experience Weekend

“A life changing experience” and “The best weekend of my life” is how many participants have described Christian Experience Weekend; a weekend filled with laughter, great food, community, inspiration and motivation. CEW is a structured 48-hour experience that is designed to strengthen and renew the faith of Christian people 18 years of age and older. CEW is not a silent, meditative retreat, but rather, a *shared* Christian experience. The community-based weekend includes talks, discussion, prayer services, and Mass. A team of lay people, deacons, priests and sisters conduct the weekend.

The overnight retreat weekend is held at All Saints Catholic Church/School, Denmark, located at 145 St. Claude Street. The CEW begins at 7:00 p.m. on Friday evening and is continuous through approximately 5:00 p.m. Sunday evening.

We have limited openings, so turn in your registration early. When the weekend is full, additional registrants are put on a waiting list and notified if there is a cancellation.

The cost of the weekend is \$50.00. If the cost would be a financial burden for you, feel free to contact any one of the rectors listed below.

Please send the completed registration form with either a \$15.00 deposit or full payment. Make checks payable to Denmark Area CEW and mail to:

David & Betsy Scheuer  
17226 Twin River Court

After you have registered, and about a week before the scheduled weekend, you will receive a letter with more information from the weekend rector.

**What have those who have attended thought about CEW?**

What do I think about CEW?

When I was first encouraged to go to a CEW, I had never heard of it before. I was told it was a Catholic retreat that I would find very meaningful. I had never been on an adult Catholic retreat before and longed to go. God worked things out in my life so that I was able to attend one.

It was overwhelming how much the Holy Spirit was at work there! Each of the talks struck an impactful chord with me and I was able to make meaningful connections to the people God surrounded me with at the retreat. There are no coincidences with God, and I believe he was orchestrating the whole retreat.

CEW changed the direction of my life and I continue to attend one each year. I also love that when the retreat is over, the CEW community continues to stay connected through prayer and get-togethers.

Whether you just want to draw into a deeper relationship with God or are in search of healing from carrying the burden of spiritual woundedness, attending a CEW can give you the guidance you need through shared experiences, prayer, and an infusion of the love of God.
